

Custom Form Core Pins

- Manufactured in a variety of steels including D-2, M-2, H-13, S-7, A-2, Ampco, MoldMax and all Stainless types
- Rockwell Hardness ranges to your specifications.
- Computer Numerical Controlled grinding ensures that your exact specifications are met when it comes to forms, profiles, vents, tapers, flats and grooves.
- Critical medical and other demanding applications are fine precision ground - often require less polishing.
- We offer a variety of surface treatments such as Nitride, Titanium Nitride, Laser Nitride, Armorclad, WS-2, and Armoloy to name a few.
