Working to be Your Choice!

THE CHOICE MANUFACTURING TEAM

A highly dedicated, skilled and focused workforce. Choice directly funds all field related collegiate and technical education. The Choice team is also kept current and educated via trade shows, seminars and extensive off site training. Additionally, Choice partners with top tooling suppliers, advising and demonstrating the latest techniques, trends, tooling and equipment. Multifaceted education of this caliber ensures that you are provided with ever improving service, accuracy, quality and timeliness all while keeping prices competitive.

SOFTWARE

SolidWorks®, GibbsCAM®, and CAM-TOOL® assures your part specifications become a reality quickly and accurately. ISO 9001:2008 registration along with our custom E2 Shop-floor management system ensures proper accountability, real-time job tracking and strong, stable company infrastructure. Our facility efficiently operates on Choices custom built, cutting edge Wi-Fi network system - assuring accurate, rapid communication, smooth workflow and security of information.

- Quality
- Delivery
- Service

YOUR CHOICE EXPERIENCE

Choice manufacturing facility is located in Clinton Township, Michigan (A suburb of Detroit). A dedicated team with well over 200 years of combined industry experience stands ready to serve all your precision tooling needs.
